

# Serving the Lord in Ireland

The Dimond Update

Autumn 2006

Do you ever need encouragement? David did...just read *Psalm 42!* Do you ever feel the plans and purposes God has called you to are either impossible or have been hijacked?

Pastors, leaders, and young people across Ireland are confronted with these type of issues on a daily basis. There are many Irish people with a call on their lives to reach this nation but have either become isolated and discouraged or overwhelmed with the size of the task to reach their community, town, city, and nation with the truth of Jesus...

...Enter Larry & Ann...

This is why God has placed us here. Since our last newsletter our days have been packed with ministry all over this nation: encouraging church leaders facing these challenges. We have filled-in for churches

Peat Bogs...serve as fuel for heating...Irish Natural Resource God is raising up from the land passionate men & women to fuel Revival fires across this nation! May God's fire burn away years of religious systems and be fuel for the salvation of thousands!

### Larry's "Hands On" Encouragement!

Refurbished Floor at Limerick AGI church. This facility was packed out at the Opening Service on 16 Sept. Pray for this growing church and the leadership God is raising up here to impact this key city for Jesus!

without pastors and for pastors on vacation. We have ministered at church retreats. We have counseled singles, young couples and seasoned couples alike. We have supported leaders through training, teaching, preaching, and worship leading. We have prayed for the sick and led the lost to Jesus.

*This is MISSIONS!*

Through your partnership and support we are able to equip and empower Irish Christians to follow their God-given *Dreams!* We are being used as "Barnabas" figures in lives that need guidance to stay on course: to view *Obstacles* in a positive light as part of the journey to fulfill callings—to view *Desert* experiences through God's lenses. These battles are often needed for training and preparation. Through them God proves HE is ever faithful, providing every need including *Sanctuary* moments in His presence for refreshing and renewal in order to continue on the journey to the *Promise Land*...God's Promise. His gifts and callings are irrevocable (Rom. 11:29). These ministries continue to happen with your continued partnership and support.

Thank You!
