RELATIONSHIP, RELATIONSHIP RELATIONSHIP

Life and ministry in Ireland comes with cultural challenges and demands that followers of Christ face anywhere in the world. We were recently sharing with some American friends the importance of **RELATIONSHIP** here. Coercion and manipulation are quickly discerned by the sharp, quick-witted Irish who are more concerned if one can relate to their every-day lives, than attending an event or service. However, once **RELATIONSHIP** is built and Christ's love is seen in every-day life, hunger for truth and answers to life's difficulties is unmistakable.

Since January the Lord has brought more young people and young couples into our lives who need encouragement, mentoring, and support to live Christian lives in the midst of secular culture. Enter the Holy Spirit.

But you will receive
power when the Holy
Spirit comes on you
Acts 1:8

Meet Emily Kate

Emily Kate is a Christian university student in Limerick. During a recent visit (our home is our ministry base of operations. Home is where MINISTRY happens... over dinner, coffee and conversation.) the Holy Spirit spoke to Ann's heart that Emily Kate needed the power of the Holy Spirit in her life. Larry

walked through the Scripture and answered many questions. During the course of dinner, conversation and prayer the Holy Spirit baptized her powerfully. This is **RELATIONSHIP**. Over the course of the past month, Emily Kate has felt a new boldness, though it has not been without battles learning to walk in her new gifts. Pray for Emily Kate.

Go to the people.
Live among them.
Learn from them.
Love them.
Start with what they know.
Build on what they have.

PRAY

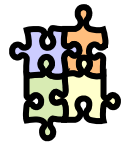

Emily's testimony is a tiny example of how **RELATIONSHIP** impacts life and ministry in Ireland. We are called to speak **TRUTH** into lives amidst a culture that shouts lies. This involves daily spiritual warfare. We need your prayer cover more than ever.

CONNECTORS

God continues to use us as connectors in the Body of Christ. More churches across Ireland are requesting support and **RELATIONSHIP**. The Holy Spirit is using us to connect churches across the nation.

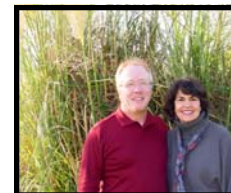

Larry is mentoring and coming alongside young men desperate for encouragement and fatherly care. He is teaching courses on spiritual gifts, prayer, and building the Church of Jesus Christ. Ann also disciples, mentors, teaches and brings support and leadership to worship teams. This land's history of brokenness and division is NOT Christ's destiny for it! He has chosen Ireland for HIS inheritance! (Psalm 33:12)
