Prayer and Praise Report Update

At the time of writing this newsletter, we are finalizing plans to return to the USA for a year's itineration. As we reflect on this past 4-year term in Ireland we are amazed at the mighty works of Jesus. **Thank you** for your prayers and faithful financial support that has made it possible for us to partner with Jesus in what He is doing across this land. We ask for your continued prayers and support this next year as we visit with as many of you and your churches as possible to share what God is doing in Ireland.

If you still have not scheduled a service with us, please email us ASAP.

PRAISE GOD:

- For the successful Worship Conference held in Limerick. Participants came from many neighboring counties.
- For the Pastors and Leaders in Limerick and Clare churches. Each church we're assisting is experiencing spiritual and numerical growth.
- For providing a sub-tenant for us for the months we are in America. This is the first time in our 22+ years as missionaries we haven't had to pack up our entire house and put it in storage and find a new rental for the next term.
- For the growth in each mentoring relationship we are providing. God continues to break through in lives.
- For the many words of encouragement, blessing, love and acceptance that has been expressed to us in our final services and ministry before our departure. We have been personally blessed and overwhelmed how God has favored us in building relationships with these churches, leaders, and congregations. We have become part of one another's lives in order to build the Kingdom of God together across this nation.

PRAYER NEEDED:

- Pray for our last Prophetic Conference this term on June 20-22 in County Wicklow.
- Pray as we pack up life and ministry in Ireland and "hit the road" in America itinerating.
- Pray for our transition back to American culture.
- Pray for our safety traveling. Pray for our health and physical strength while traveling thousands of miles over the next year.
- Pray for new monthly partners to pledge support in order to raise the new budget needed.
- Pray that we are refreshed and renewed as we itinerate and that we will be an encouragement to each church.

Thank you again for your love, prayers, and support!
