Ireland's Call

Words & music by Irish composer Phil Coulter

**Ireland, Ireland,
Together standing tall
Shoulder to shoulder
We'll answer Ireland's call**

Ireland's Call is the Anthem for the All-Ireland Rugby Team. It was penned in order to represent all Irish Rugby players, from Northern Ireland and the Republic of Ireland. What politicians have struggled to achieve, the All-Ireland Rugby Team achieve by putting aside personal differences to play together as one, shoulder-to-shoulder.

Similarly, the Irish Assemblies of God and the Assemblies of God of the UK (which included A/G churches in Northern Ireland) answered "Ireland's Call" by putting aside differences and uniting to form one **Assemblies of God Ireland** to sow unity into the land...working shoulder-to-shoulder to bring the Kingdom of God to the entire island.

St. Patrick centuries ago responded to "Ireland's Call" when the Lord spoke to him in a vision. He heard the cries of the Irish people *calling* him to return to Ireland where he once was a slave, to bring them Christ. That he did! He ushered in the Kingdom of God and witnessed an entire nation turn to Christ which in turn sent out missionaries throughout the world.

This is our heart. We too are answering "Ireland's Call," responding to the call of God to walk shoulder-to-shoulder in this land bringing freedom in Christ. The ancient paths Patrick walked are again being excavated and lives are being transformed through training, equipping, and discipling. This could not be done without walking shoulder-to-shoulder with YOU! Thank you for partnering with us to answer *Ireland's Call*.

Prophetic Training School

After living and ministering in Ireland since 1993, we have witnessed first-hand the prophetic anointing that rests on this land. The Irish people seem by nature to be prophetic. However, due to lack of teaching and training, many people have felt fearful or unequipped to step out in the gifting the Lord has given them.

For this reason God led us to start a Prophetic Training School last October. The students come from a variety of local churches and the feedback has been extremely positive with requests to provide more classes.

Prophetic Training Class

A BIG THANKS to the Missions Team from **North Central University!** They spent their Spring Break expanding the Kingdom of God in Ireland. They were a great blessing to the Irish churches and to us!
